

**2023 Guest Member Agreement Form**  
Goddard Dance Club

**Visitor Policy:** The Goddard Space Flight Center (GSFC) is a secure government facility. All guest members of the Goddard Dance Club (GDC) must obey security regulations. Guest members who preregister with the Club for an event, and who are citizens or permanent residents, may be issued a *non-escort badge* by Security at the GSFC front gate. Other guests may be issued an *escort-required badge*. A badged employee of GSFC **must** escort guests who are issued an escort-required badge, both onto and off of the center.

**All Visitors:** All visitors are required to park in one of the parking lots adjacent to their destination (usually Building 8) and proceed directly to the destination room (usually the Building 8 Auditorium, on the second floor). They may not drive anywhere else on center or attempt to enter any facility except the destination building, the destination room, and the restrooms in that building.

**Escort-required Guests:** When leaving, each guest who has an escort-required badge **must** leave with a badged employee, who may either leave the center at the same time as the guest or visually observe the guest's departure through the front gate. **Guests with an escort-required badge may not leave the destination building without being escorted.**

**GDC Membership:** When attending their first GDC class, practice, or dance, anyone who is not a current member must complete a GDC membership form. GDC membership is required of everyone taking more than their first-time GDC class. Single-night guests attending any class or dance who do not intend to join the GDC still must complete the contact information section of the membership form and indicate who is sponsoring them as a guest.

**Signature:** I, the undersigned, have read and agree to the escort and membership requirements as stated above.
